

CONSENT TO RELEASE UTILITY ACCOUNT INFORMATION

TENANT AUTHORIZATION (UTILITY CUSTOMER)

This consent form authorizes the release of the utility customer's account information to the property owner for the purpose of monitoring the customer's utility account eligibility. Upon written request of the property owner, the City will release: the account balance, financial transactions for the past 90 days, dates of prior disconnections, whether a request to close the account has been received and whether a final utility bill has been issued. The City may issue to the property owner, a duplicate copy of a reminder letter if the account remains outstanding five business days after the reminder letter was mailed. Reminder letters are issued when a utility account is not paid within 21 days of billing.

I agree and direct the City of Spruce Grove to release utility account information to the property owner as specified in this form. I understand that I have the right to revoke my consent but that my eligibility for a utility account may be affected. Unless consent is withdrawn, the utility account information may be released until the final utility bill is issued and the account is paid in full.

I further acknowledge that the City may refuse to supply utility services to: a tenant who has an outstanding utility balance with the City, to a tenant whose services have been disconnected for non-payment three times.
