Residential street sweeping is underway

Residential street sweeping has started and will take place weekdays, weather permitting. To find out when street sweeping is scheduled for your neighbourhood, visit sprucegrove.org/Sweeping.

Please give crews plenty of room to work and help us keep our streets clean by removing vehicles and other items from the roadway. In doing this, you help us ensure motorist safety and keep debris from ending up in the City's stormwater network. Our crews are also able to provide a more effective and efficient service to the community.
