News You Can Use

Call for Artists

The City invites proposals from Indigenous artists or Indigenous-led artist teams for the creation of a new piece of public art to be installed at Jubilee Park in Spruce Grove. This three-dimensional piece can be brought to life in any scale, scope or medium, and should celebrate and recognize Indigenous culture, heritage, traditions, and ways of being. Proposals will be accepted until Friday, February 16, 2024. To learn more about the opportunity and download the application package, visit sprucegrove.org/PublicArt.

Monthly organics collection February 12-16

Green organics carts will be collected from February 12-16 on your regular waste collection day. In the winter, green organics carts are collected during the second full week of the month. Use the City's waste sorting app to subscribe for waste collection reminders and learn how you can reduce your food waste. Future collection dates and the Trim Your Trash app can be viewed at sprucegrove.org/Organics.

Stay off the ice!

Spruce Grove's stormwater management facilities might look like ponds that are a great place to skate or walk; however, constant water flow causes the ice to be unstable and unpredictable. Stormwater facilities are not safe for people or pets and access is prohibited at all times. Learn more at sprucegrove.org/StormwaterSafety.

Council Meetings

Regular Council meeting
