MUNICIPAL SOLID WASTE SERVICE LEVELS POLICY

POLICY STATEMENT

The City of Spruce Grove is committed to providing Solid Waste Services with consideration to evolving residential needs. This policy will enable responsible, sustainable, and prudent residential waste management services that focuses on a healthy city and promotion of waste reduction which helps protect the environment, conserve valuable resources, send less waste to landfill and reduce greenhouse gas emissions.

1. PURPOSE

- 1.1 To set the approved levels of service to be provided by the Solid Waste Utility.

2. DEFINITIONS

- 2.1 “Alley” means a narrow Road Right of Way providing access to the rear of buildings and parcels of land.
- 2.2 “Black Waste Cart” means a black wheeled receptacle owned and supplied by the City for the collection and disposal of Garbage.
- 2.3 “Blue Bag” means a blue transparent bag appropriate for the collection and disposal of clean Recyclables.
- 2.4 “Cart” means a wheeled receptacle owned and supplied by the City for the automated collection of Solid Waste.
- 2.5 “City” means the municipal corporation of the City of Spruce Grove in the Province of Alberta.

		Division: Sustainable Growth and Development Services – Public Works

- 2.6 “City Manager” means the administrative head of the City of Spruce Grove.
- 2.7 “Collector” means a contractor authorized by the City to provide Collection Services.
- 2.8 “Collection Services” means residential Solid Waste Collection and disposal as detailed in the Municipal Solid Waste Utility Bylaw, as amended, and rendered by the City or the Collector.
- 2.9 “Council” means the Council of the City of Spruce Grove elected pursuant to the Local Authorities Election Act, RSA 2000 cL-21, as amended.
- 2.10 “Eco Centre” means a City owned drop-off facility where residents can dispose of items that cannot be placed in their Black Waste Cart, Blue Bag, or Green Organic Waste Cart. Household Hazardous Waste, Electronic Waste, appliances, and extra Garbage are also accepted at the Eco Centre.
- 2.11 “Electronic Waste (E-Waste)” means eligible electronic waste for recycling programs established under the jurisdiction of Alberta Recycling Management Authority (ARMA).
- 2.12 “Fee” means any fee set out in the Fees and Charges Bylaw, as amended.
- 2.13 “Garbage” means Solid Waste other than Organic Waste or Recyclables.
- 2.14 “Green Organic Waste Cart” means a green wheeled receptacle owned and supplied by the City for the collection and disposal of Organic Waste.
- 2.15 “Household Hazardous Waste (HHW)” means chemical products such as cleaning solvents, paints, pesticides, or other materials disposed of by residential consumers, which qualifies as hazardous waste when discarded. Hazardous wastes and hazardous recyclable materials are defined as those with properties such as flammability, corrosiveness, or inherent toxicity.
