

Calling all artists!

Do you have what it takes to create a massive 8 x 20 foot mural in just a few hours? We're looking for artists or artist teams to paint a mural on a shipping container "live" during our Canada Day and Alberta Day celebrations. Last year's artists painted a stunning mountain and prairie landscape. What will you come up with? See all the details and apply online at sprucegrove.org/Murals by June 2.

The annual Shred-4-Free and E-roundup events are back!

Safely dispose of sensitive, personal documents and e-waste for free on Saturday, June 8, from 9 a.m. – 1 p.m. This year our event location has changed, and residents can drop off their items at the Spruce Grove Public Works Facility, located at 21 Century Close. For details, and a list of what is and is not accepted, visit sprucegrove.org/Shred.

Clear your clutter!

Up-cycle and properly dispose of unwanted household items.

News You Can Use

Extra organics collection event happening May 27 – 31

As you're cleaning up your yard this month you may end up with more yard waste than what fits inside your green organics cart. To provide residents the opportunity to easily dispose of organic materials, the City holds four extra organics collection events to help residents dispose of extra organics waste, and the next event is happening from May 27 – 31. During this week, and on your regular waste collection day, residents can put extra yard/organics waste outside next to waste carts for pick up. Extra organics should be bagged in a brown paper lawn or yard waste bag.

The next extra organics collection events will occur September 30 – October 4 and November 4 – 8.

Please note that during the rest of the year, only organics waste that fits inside the green organics cart with the lid completely closed will be collected. Bagged or other organic materials placed outside the cart will not be collected. When extra organics need to be disposed of, residents can save organics for the following collection week, practice grass-cycling to reduce yard waste, or bring extra organics to the Eco Centre at no charge (up to three cubic metres).

For event details visit sprucegrove.org/ExtraOrganicsCollection.

Important information for cat owners

As pet owners, we have a responsibility to care for our pets, while also being considerate of our neighbours and the community.

To bring clarity to the regulations around pet ownership in Spruce Grove and ensure the safety and well-being of residents, pets, and pet owners, the City's Dog and Domestic Animal Control Bylaw has been reviewed and updated. It is now called the Responsible Pet Ownership Bylaw.

Under the updated bylaw, cat owners are required to regulate the behaviour of their pets in a manner consistent with that of dogs, including:

- They are not permitted to run at large.
- They must wear a collar with ID tag containing the owner's phone number.
- They must not cause a public nuisance.

For more information visit sprucegrove.org/CatOwnership.

2024 construction season

The City of Spruce Grove continues to invest in roadways, infrastructure and general maintenance to help improve the quality of life, safety and access to amenities for all our citizens and business owners. Learn more about current construction projects at sprucegrove.org/ConstructionProjects.
