## News You Can Use

### Exploring Heritage Grove Park with your pup

Heritage Grove Park is a great way to spend some time outdoors with your four-legged furry friend. When exploring park pathways and open spaces, make sure to keep your dog on a leash, this helps keep humans, other canines, and wildlife safe in the park! The City provides garbage disposal along the trails, so don't forget to pick up and dispose of your pup's waste when exploring the area. Learn more at [sprucegrove.org/HeritagePark](https://sprucegrove.org/HeritagePark).

### 2024 construction season

The 2024 construction season is in full swing and this year's projects include roadway resurfacing, stormwater facility upgrades, sidewalk and curb redevelopment, watermain rehabilitation and more. Visit [sprucegrove.org/ConstructionProjects](https://sprucegrove.org/ConstructionProjects) for more details.

### Safe Roads. Safe Neighbourhoods.

Improving traffic safety and creating safe, sustainable neighbourhoods for all residents is important. Starting August 31, speed limits on residential neighbourhood roads will be changing from 50 km/h to 40 km/h to improve traffic safety. City Council made this decision based on recommendations from the Spruce Grove Roadway Speed Limit study conducted in 2023 that indicated reducing speed limits would not only improve traffic, but also support calmer, quieter neighbourhoods.
