## News You Can Use

### We want your input on the new Urban Agriculture Plan!

As a community with agricultural roots, we are looking to develop an Urban Agriculture Plan for Spruce Grove, and we need your help! This plan will help identify opportunities to support and implement urban and value-added agricultural pursuits in the community and help improve access to locally grown food!

Help us create a plan that builds on our shared values and informs the urban agriculture framework for Spruce Grove into the future.

Complete our online survey at [sprucegrove.org/UrbanAgSurvey](http://sprucegrove.org/UrbanAgSurvey).

### Use Online Tools to do business with the City

Spruce Grove residents and businesses now have access to Online Tools, a convenient online place to look and find all the ways they can complete common tasks and report non-emergency issues to the City of Spruce Grove. Designed to make it easier to do business with the City, this digital one-stop destination provides links to the many online tools that can be used to self-serve 24/7. Visit [sprucegrove.org/OnlineTools](http://sprucegrove.org/OnlineTools).

### Safe Roads. Safe Neighbourhoods.

Improving traffic safety and creating safe, sustainable neighbourhoods for all residents is important. Starting August 31, speed limits on residential neighbourhood roads will be changing from 50 km/h to 40 km/h to improve traffic safety. City Council made this decision based on recommendations from the Spruce Grove Roadway Speed Limit study conducted in 2023 that indicated reducing speed limits would not only improve traffic, but also support calmer, quieter neighbourhoods.
