REQUESTED BY: Councillor Stevenson

TOPIC: Support to City Centre ARP - Capital Costs Clarification

DATE OF REQUEST: November 5, 2024

DATE OF RESPONSE: November 6, 2024

QUESTION:

Page 247 CP_CE727 - Work locations to be completed in background need to be updated to reflect the budget timing.

RESPONSE:

As indicated during the presentation there was an inconsistency of the dates and budgets for the following project: CP_CE727 - Support to City Centre Area Redevelopment (ARP) - Utility - Sanitary Sewer.

Reviewing additional information, it is confirmed that the write up located on the Capital Profile for CP_CE727 - Support to City Centre Area Redevelopment (ARP) - Utility - Sanitary Sewer is incorrect and will be updated.

The work along King Street (16A to Fifth Ave) - Sanitary Sewer will take place in 2026 not 2027 as indicated. The budget and year in the table at the top of the Capital profile is correct.
