

## INFORMATION REQUEST

**INFORMATION REQUEST #:** IR-006-24

**REQUESTED BY:** Councillor Stevenson

**TOPIC:** Mohr Avenue Improvements

**DATE OF REQUEST:** November 5, 2024

**DATE OF RESPONSE:** November 6, 2024

---

### QUESTION:

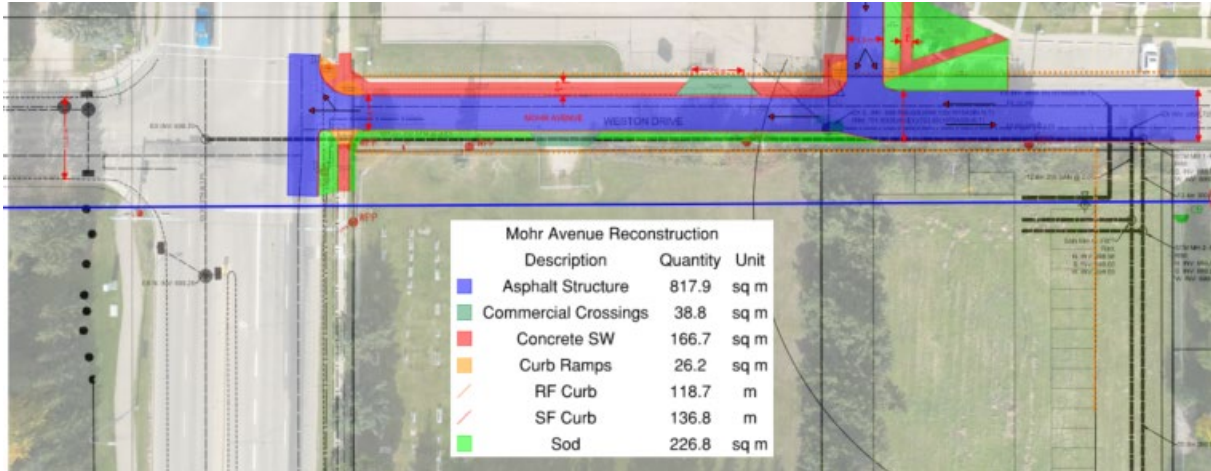

Engineering to provide more information regarding Mohr Avenue and whether the improvements will result in the 'alley' becoming a full 'road' with thru traffic to the City Centre.

---

### RESPONSE:

After, reviewing the preliminary design for Mohr Avenue it is confirmed that Mohr Avenue will be a one way road. The reason for the one way is that the current road width would not allow for two directional traffic and there was no ability to widen the road due to the developments (cemetery) bordering the road. The one way will be west bound only and will start at the new Meridian access along Mohr.

The diagram below provides a visual of how the road will look and function once work is complete.

**BACKGROUND:**

n/a

**FINANCIAL IMPLICATIONS/TAXATION IMPACT:**

n/a
