Programs and Events

Tri-Region SeniorConnect

Learn how to recognize and respond to seniors in need through the Tri-Region SeniorConnect online training program. This free resource is available to all Tri-Region residents and offers support and guidance on issues such as mental illness, dementia, depression, elder abuse, addictions, caregiver burnout and more. Access the training modules at sprucegrove.org/SeniorConnect.

Grant Writing Basics

Are you part of a non-profit or charitable organization and looking for ways to boost your funding? Register for our free grant writing workshop and learn about different types of grants, where to find them, how to apply, and tips for success.

Tuesday, March 18
6:30-9 p.m.
Community Social Development (414 King Street, Spruce Grove)

Register by March 11 at sprucegrove.org/Workshops

Career Opportunities

News You Can Use

Call for Walls

The City invites business owners and non-profit organizations to submit their outdoor, public-facing walls to be considered for a future public mural. Learn more and download the application package at sprucegrove.org/PublicArt. Submissions for 2025 projects are due March 23.

Stay off the ice!

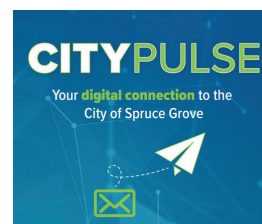

Spruce Grove's stormwater management facilities are not good places to go for a skate or take the dog for a walk. Constant water flow causes the ice to be unstable and unpredictable. Stormwater facilities are not safe for people or pets and access is prohibited at all times. Learn more at sprucegrove.org/StormwaterSafety.

CityPulse E-Newsletter

Be in the know! Our bi-weekly e-newsletter is a great way to stay informed. From City news, service updates, programs, events, and initiatives, you'll get the information you need to know.

Learn how to recognize Dutch Elm Disease and how to prevent it!

What is Dutch Elm Disease? It's a deadly disease that affects all species of elm trees and is caused by a fungus that is then spread by beetles. Symptoms include: leaves suddenly wilting, leaves changing colour and shriveling but not falling, and discoloration once the bark is peeled back.

It's only legal to prune elms in Alberta between October 1 to March 31. Pruning outside of this range can attract Elm Bark Beetles to your otherwise healthy tree, infecting it.

If you think your tree may be infected or need more information, visit Sprucegrove.org/DutchElmDisease

Notice of development permit decisions

The following development permits for discretionary uses and variances have been approved under the provisions of the Land Use Bylaw. This list does not include Permitted Uses. For a full list of all Development Permit decisions, as well as how to appeal a decision of the Development Officer to the Subdivision and Development Appeal Board, please visit sprucegrove.org/DevPermitNotices. Please direct any questions to the Planning and Development Department at 780-962-7582, Monday to Friday from 8:30 a.m. to 4:30 p.m.
