News You Can Use

Home Energy Efficiency Kits now available

The City of Spruce Grove is excited to partner with the Spruce Grove Public Library to offer Home Energy Efficiency Kits to our residents.

Created by the City and available to borrow through the library, each Home Energy Efficiency Kit includes a variety of tools that will help you assess your current energy consumption, discover opportunities for efficiencies and potential cost savings, and see the associated environmental impacts.

Visit sprucegrove.org/HomeEnergyKits to learn more or visit sgpl.ca to reserve a kit!

Learn how to recognize Dutch Elm Disease and how to prevent it!

What is Dutch Elm Disease? It's a deadly disease that affects all species of elm trees and is caused by a fungus that is then spread by beetles. Symptoms include: leaves suddenly wilting, leaves changing colour and shriveling but not falling, and discolouration once the bark is peeled back. It's only legal to prune elms in Alberta between October 1 to March 31. Pruning outside of this range can attract Elm Bark Beetles to your otherwise healthy tree, infecting it.

If you think your tree may be infected or need more information, visit sprucegrove.org/DutchElmDisease.

Heritage Grove Park fall maintenance

Fall maintenance is currently underway in Heritage Grove Park. City crews will be removing and cleaning up deadfall, dead standing trees, and invasive species. Park clean up not only improves safety, but it also improves local aesthetics.

The park and trails will remain open during clean up efforts, but users are asked to observe and follow any detour signage. Learn more at sprucegrove.org/HeritagePark.

Vote in the 2025 municipal election on October 20

On October 20, Spruce Grove will elect a mayor, six councillors, and three trustees for either Parkland School Division Ward 5 or Evergreen Catholic Separate School Division Ward 2, Subdivision 1. Visit any polling station on Election Day to cast your vote. Visit sprucegrove.org/Election or see the ad in this week's newspaper for locations and times.
